I/we certify that I/we have participated sufficiently in the intellectual content, conception and design of this work or the analysis and interpretation of the data (when applicable), as well as the writing of the manuscript, to take public responsibility for it and have agreed to have my/our name listed as a contributor. I/we believe the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under my/our authorship has been published or is under consideration for publication elsewhere. I/we certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. I/we certify that, if requested by the editor, I/we will provide the data/information or will co-operate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. Financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this manuscript have been disclosed and duly acknowledged.

I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership, including any and all rights incidental thereto, exclusively to this journal, in the event that such work is published by the journal. The journal shall own the work, including 1) copyright; 2) the right to grant permission to republish the article in whole or in part, with or without fee; 3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format. I/We take the responsibility for the plagiarised content if found during processing or after publication of the manuscript; the Editorial Board of the Journal or any person associated with the journal will not be responsible for that.
