

Prof. H. L. Das and Prof. S. B. Singh Memorial Lectures

Date: 5th September, 2020

Time: 9:45 AM - 12:45 PM

Lecture I

Speaker: Prof. Shobhana Narasimhan

Theoretical Sciences Unit, JNCASR, Bangalore

**Topic: Computing the Properties of Materials
from First Principles**

Time: 10 AM

Lecture II

Speaker : Prof. Mandar M. Deshmukh

Department of Condensed Matter Physics and
Materials Science Lab, TIFR, Mumbai

Topic: Electronic Properties of 2D Crystals

Time: 11:15 AM

Welcome to the live stream on

You  <https://youtu.be/-cDafm2HjoY>

- All interested students, scholars, scientists and faculty members are requested to participate through the link provided.
- Participants are requested to join 5 minutes prior to the event.
