**sponsored**

*Workshop on*

*Patenting Innovations and  
Intellectual Property Rights*

**29 - 30 March 2022**

*organised by*

**Intellectual Property Rights (IPR) Cell  
Dibrugarh University**

### ***About the organiser***

The Intellectual Property Rights (IPR) Cell, Dibrugarh University was established by the Patents Information Centre of the Assam Science Technology and Environment Council (ASTEC), Govt. of Assam in the year 2009. The IPR Cell looks after the activities related to the Intellectual Property of the University and also to create awareness among faculty members, research scholar and the students of the University.

The IPR Policy of the university has been adopted in Dibrugarh University in the year 2021 and since the inception of the cell, it is continuously engaged in organising different awareness programmes and workshops on IPR related topics in addition to facilitating the researchers and innovators of the university to protect their creations and innovations. Facilitating the registration under the Geographical Indications of Goods (Registration and Protection) Act, 1999 of items having regional ethnocultural importance is another prime aim of the cell.

### ***About the workshop***

The workshop on **Patenting Innovations and Intellectual Property Rights** is being organised in Dibrugarh University to create awareness among the university fraternity on importance and different aspects of Intellectual Property Rights. The Assam Science Technology and Environment Council (ASTEC), Govt. of Assam, considering the importance and relevance of the topic, has come forward to sponsor the workshop.

In this workshop, following topics will be covered:

- Introduction to Intellectual Property Rights
- Patents, Patentability and Patenting process
- Geographical Indications
- Designs and Trademark
- Copyrights and Plagiarism

### ***Target group***

Students, Research Scholars and Faculty members.

### ***Workshop venue and timings***
