

**Data required for the preparation of DU ACTIVITY CALENDAR-2023,
(session Jan -July 2023)**

Sir/Madam,

As directed, we are in the process of formulating an **Activity Calendar** for the upcoming **session Jan-July, 23**, for Dibrugarh University. In this regard some informations are required from your side regarding upcoming events/activity in your concerned **dept/centre/association/union/hostel**, etc.

The main rationale/objective behind preparation of the Activity calendar are:

- * To streamline the activities occurring in the University.
- * To regulate/reduce the possible overlapping of academic affairs with different activities.
- * To maintain a proper record of different activities happening in the University.

The events/activities listed in the Academic calendar are not required to be included in the Activity list. Exams, Class seminar, assignments etc. need not to be included in the Activity calendar.

Please find the google form link below for necessary data input.

[Activity Calendar - Dibrugarh University \(Jan-July, 2023\) - Google Forms](#)

The data needs to be submitted on or before **3rd November, 2022**. Data submitted after the deadline might not reflect in the Activity calendar of the University.

Remarks:

* Activity could be any of the following nature and more (eg) : Outreach Programme, Training Programme, Workshop, Seminar, Conferences, Community engagements, Memorial lectures NSS day, International days, sports events, cultural events, etc.

* This database is for mere submission toward the authority. Submission of the activity events do not necessarily confirm their appearance in the Activity Calendar. Final decision will be taken by the authority concerned.
