

STREET PLAY ORGANIZED BY THE CENTRE FOR STUDIES IN GEOGRAPHY ON INDEPENDENCE DAY 2024

On 15th of August 2024, the Centre for Studies in Geography at Dibrugarh University organized a street play to celebrate India's Independence Day. The event, which took place at 5:00 PM at Jyoti Batsora on the university campus, was not just a celebration of the nation's independence but also a significant step towards promoting environmental consciousness. The theme of the street play, "Clean Campus, Green Campus," was aligned with the university's ongoing efforts to foster a sustainable and eco-friendly environment. The play aimed to raise awareness about the detrimental effects of single-use plastics and the importance of proper waste disposal practices within the university premises. The event was timed perfectly, starting at 5:00 PM, allowing attendees to enjoy the play in the cool, pleasant evening. The performance was marked by the enthusiasm and dedication of 20 participants, all of whom were students of the Centre for Studies in Geography. These students had put in extensive preparation to ensure that the play was both engaging and educational. The street play was a resounding success, achieving its goal of raising awareness about environmental issues on campus. The performance was met with applause and appreciation from the audience, who were moved by

the powerful message of the play. Many attendees expressed their admiration for the participants' dedication and the effectiveness of the play in conveying its message. As the university moves forward, it is hoped that the message of the street play will continue to resonate with students and staff, leading to a cleaner, greener, and more sustainable campus for all.
