

### Cleanliness Drive on 2<sup>nd</sup> October 2024

The NSS volunteers from the Centre for Studies in Geography participated in a cleanliness drive titled "Swachhata Hi Seva," organized by the NSS PG unit of Dibrugarh University. This initiative aimed to promote cleanliness and environmental awareness among students and the local community. The event fostered a spirit of community service and responsibility, highlighting the crucial role of youth in promoting a cleaner environment.

The Swachhata Hi Seva campaign aligns with the broader objectives of the National Service Scheme (NSS), which seeks to develop a sense of social responsibility among students. Through their participation, the NSS volunteers not only contributed to the cleanliness of their surroundings but also encouraged others to adopt sustainable practices for a healthier and cleaner future.
